A hand-drawn geological column diagram on lined paper. The left margin features vertical scale markings from 10 to 70. At the top, 'LEGY LTRD' is written above a series of short horizontal tick marks. Below this, 'VF Sg E' is written next to a series of longer horizontal tick marks. In the center, 'HOLE Comp 75-' is written. To the left of the center text, there are two sets of numerical values: '60 9.0 / 10' and '70 7.1 / 10'.
